

STRIKER POWER MAINTENANCE FREE BATTERY

STRIKER POWER MAINTENANCE FREE BATTERY

Want to reduce your maintenance costs? Our Maintenance Free battery is completely sealed, so there's zero watering. You save time, effort and expense. This dependable, battery is ideal for the pharmaceutical, food and chemical industries.

Zero Maintenance

Maintenance free batteries incorporate several modifications over a conventional battery. The most significant feature is that they are sealed and require no service attention other than to be kept clean.

Improved performance in the cold

Maintenance free batteries offer better cold weather starting power

Rugged

Maintenance free batteries offer improved resistance to heat and vibration damage.

Low Emissions

Extremely low self-discharge.
Extremely low gassing during operation.
