

## STRIKER POWER HIGH FREQUENCY CHARGER

**High quality, efficient, easy to program, all at a great price.** This High Frequency charger has built in multi-voltage capability. Ideal for all applications.

### Fast

The charging process is optimized so that the battery is fully charged in the shortest time possible

### Flexible

Regulated, primary switched charger with 8 charging curves that suit most battery types and applications

### Efficient

The charger is energy-efficient using high frequency to achieve 90% efficiency

### Reliable

The ventilation is optimized to protect all of the internal components

### Easy

Adjustable output current with selectable Autostart

## Striker POWER SYSTEMS

**Striker power has the expertise to help your material handling business become more efficient. Contact us to maximize your uptime.**

Application	High Efficiency
DC Output Voltage	2v, 6v, 8v, 10v, 12v, 24v, 36v, 48v, 60v, 72v, 80v
AH Range	310 - 1,880 AH
Input Line Voltage	208v, 240v, 480v, 600v (3 Phase)
Shift Usage	1 - 3 Shifts
Striker Air System	Optional
BMOD	Optional
Battery Solutions	Flooded, Gel, Maintenance-Free
